AMENDING ORDINANCE NO. 244-77 (ANNUAL APPROPRIATION ORDINANCE FOR FISCAL YEAR 1977-78) BY CORRECTING CLERICAL ERROR IN SECTION 18 OF THE ADMINISTRATIVE PROVISIONS THEREOF, TO REFLECT CHANGES IN SUBSISTENCE PAY FOR PAINTERS AND RELATED CLASSES.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 244-77 (Annual Appropriation Ordinance for fiscal year 1977-78) is hereby amended by correcting the clerical error in Section 18 of the administrative provisions thereof, so that the same shall read as follows:

Section 18. Any officer or employee of the City and County of San Francisco except in the discharge of routine duties, who shall under the authority of law or ordinance, leave the City and County for the purpose of performing any official duty for or on behalf of the City and County, or for the purpose of rendering any service to or for the City and County, or for the purpose of officially representing said City and County, or any board, commission, office or department, shall be allowed as the expense incident to said service the actual cost of transportation, including pullman charges, if any, together with an amount for living expenses not to exceed twenty dollars per day for each and every day while said officer or employee is absent on said official business, or with the concurrence of the Controller, such actual and necessary travel and other expenses as may be incurred.

Allowance for traveling expenses shall be based upon the most efficient, direct and economical mode of transportation required by the occasion, provided, however, that at the option of the person authorized to leave the City and County of San Francisco on official business, travel may be accomplished in the State of California by such means as the person so authorized deems proper, in extraordinary or emergency cases, transportation to points outside the State of

FILED DEC 1 1977

California may be contracted in the most expeditious and expedient manner.

The number of days which shall be used as the basis for computing the allowance for expenses other than transportation hereunder shall not exceed the number of days required in traveling and attending to the business or the purpose for which the trip is made. Provided, however, that if necessary, a reasonable period of time may be allowed to consummate traveling arrangements and that days taken up by unavoidable accidents or illness while enroute and certified to by a duly licensed physician or surgeon, shall be construed as days devoted to official business, and provided further, that a statement from an accredited christian science practitioner or one authorized to practice as such by the first church of christ scientist in Boston, Massachusetts, certifying to treatment and the need therefor, may be accepted in lieu of such certification by a duly licensed physician or surgeon.

The Controller shall establish rules for the payment of all amounts payable pursuant to the first paragraph of this section, and for the presentation of such vouchers as he shall deem proper in connection with expenditures made pursuant to said section, no allowance shall be made for traveling expenses provided for in this ordinance unless funds have been appropriated or set aside for such expenses in accordance with the provisions of the Charter.

Employees in classifications 7346 Painter, 7242 Painter Foreman, and 7278 Painter General Foreman shall be paid twenty dollars a day, seven days a week, for room and board for such period as he is required to live away from his place of residence. Such maintenance shall not be considered as wages and shall be paid by separate check.

The Controller shall advance the sums necessary for traveling expenses, but proper account and return must be made of said sums so advanced by the person receiving the same within ten days after said

person returns to duty in the City and County of San Francisco, and failure on the part of the person involved to make such accounting shall be sufficient cause for the Controller to withhold from such persons pay warrant or warrants in a sum equivalent to the amount to be accounted.

No more than one representative from one board, commission, office or department shall be allowed travel expenses in connection with one event, unless specific provisions authorizing travel expenses to be payable to more than one representative to such event are contained in the approved budget for the board, commission, office or department concerned or other prior approval has been obtained from the finance committee.

Section 2. In enacting Section 1 of this ordinance, this Board of Supervisors finds and determines that through inadvertence the subsistence pay for employees in classifications 7346 Painter, 7242 Painter Foreman and 7278 Painter General Foreman was incorrectly stated in Section 18 of Ordinance No. 244-77 (Annual Appropriation Ordinance for fiscal year 1977-78) and that the correction herein provided reflects the intention of this Board of Supervisors in adopting Ordinance No. 244-77 (Annual Appropriation Ordinance for fiscal year 1977-78), effective July 1, 1977.

PROHIBITING THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT OF ANY ADULT THEATER OR ENCOUNTER STUDIO AND PROHIBITING THE ESTABLISHMENT OF ANY 2/6/78 ADULT BOOKSTORE WITHIN THE CITY AND COUNTY OF SAN FRANCISCO FOR ~~FOUR~~ THREE MONTHS; PROVIDING FOR DEFINITIONS AND A SEVERABILITY CLAUSE; AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Purpose and Findings. The Board of Supervisors, after consideration of various alternatives to the regulation and control of the location and operation of adult theaters, encounter studios and adult bookstores and after consideration of other alternatives based upon a report by the City Planning Commission hereby makes the following findings:

A. The City and County of San Francisco is currently in the process of studying the need for and the feasibility of an ordinance which would regulate the location and operation of adult bookstores, encounter studios and adult theaters within the City and County. For the purposes of this ordinance, the following definitions shall apply:

(1) Theater. A building or part of a building intended to be used for the specific purposes of presenting entertainment as defined herein, or displaying motion pictures, slides or closed circuit television pictures before an individual or assemblage of persons, whether such assemblage be of a public, restricted or private nature, except a home or private dwelling where no fee, by way of an admission charge, is charged.

(2) Entertainment. Any act, play, revue, pantomine, scene, song, dance act, or song and dance act, conducted or participated in by one or more persons, whether or not

such person or persons are compensated for such performance.

(3) Entertainment. Continued. "Entertainment" also includes a fashion or style show, except when conducted by a bona fide nonprofit club or organization as a part of the social activity of such club or organization, and when conducted solely as a fund-raising activity for charitable purposes.

(4) Adult Theater. A theater as defined herein which is used more than ten percent (10%) of its presentation time, measured on an annual basis, for the exhibition or display of entertainment which is distinguished or characterized by an emphasis on matter depicting, describing or relating to "Specified Sexual Activities" or "Specified Anatomical Areas" as defined herein.

(5) Specified Sexual Activities.

(a) Human genitals in a state of sexual stimulation or arousal;

(b) Acts of human masturbation, sexual intercourse or sodomy;

(c) Fondling or other erotic touching of human genitals, pubic region, buttock or female breast.

(6) Specified Anatomical Areas.

(a) Less than completely and opaquely covered

(i) human genitals, pubic hair, buttock, natal cleft, perineum, anal region, and

BOARD OF SUPERVISORS

(ii) female breast at or below the aerola thereof; and

(b) Human male genitals in a discernibly turgid state, even if completely and opaquely covered.

(7) Encounter Studio. An establishment to which patrons or members are invited and is so arranged, as to provide booths, cubicles, room or rooms, compartments or stalls wherein an entertainer provides entertainment as defined herein to patrons or members or groups of members or patrons within the aforesaid booths, cubicles, room or rooms, compartments or stalls.

(8) Adult Bookstore. A building or part of a building having as a substantial or significant portion of its stock in trade books, magazines or periodicals which are distinguished or characterized by their emphasis on matter depicting, describing or relating to "Specified Sexual Activities" or "Specified Anatomical Areas" as defined herein, or an establishment which devotes twenty-five percent (25%) or more of its floor or display space to the sale or display of such material.

B. The study undertaken may include, among other subjects, a consideration of the following topics:

(1) Whether, and, if so, the extent to which the location of adult bookstores, encounter studios, or adult theaters within the City and County of San Francisco could produce adverse effects upon surrounding residential areas.

(2) The degree to which the restriction on location of adult bookstores, encounter studios or

adult theaters within the City and County of San Francisco will lessen any adverse effects upon surrounding residential areas.

(3) The means by which an ordinance can regulate the location of adult bookstores, encounter studios and adult theaters in order both to mitigate or eliminate any adverse effects upon any surrounding residential areas and to provide for the reasonable location within the City and County of San Francisco of such enterprises.

(4) Whether, and, if so, the extent to which the concentration of adult bookstores, encounter studios or adult theaters within the City and County of San could produce adverse effects upon the community.

(5) The degree to which the restriction on the concentration of adult bookstores, encounter studios or adult theaters within the City and County of San Francisco will lessen any adverse effects upon the community.

(6) The means by which an ordinance can regulate the concentration of adult bookstores, encounter studios and adult theaters in order both to mitigate or eliminate any adverse effects upon the community and to provide for the reasonable location within the City and County of San Francisco of such enterprises.

(7) The extent to which the location of adult bookstores, encounter studios and adult theaters within the City and County of San Francisco could be accomplished through the use of a conditional use permit

system or with other types of zoning approvals, or whether what is needed is a total prohibition against location of said enterprises within a designated number of feet from one another, or from residentially-zoned areas.

C. In order to provide a reasonable period of time for such study, and for implementation of the recommendations of any such study, and in order to prevent the frustration of the results of such study by the approval of the location of said enterprises which may be in conflict with the regulations which may ultimately be adopted by ordinance, and for the purpose of protecting the public safety, health and welfare, the Board of Supervisors finds that the adoption of this ordinance is necessary.

Section 2. No permit for any adult bookstore, encounter studio or adult theater as defined herein shall be approved for location within the City and County of San Francisco during the effective dates of this ordinance.

Section 3. The Board of Supervisors hereby finds and determines that this ordinance is necessary because to permit the approval of the location of adult bookstores, encounter studios and adult theaters during the consideration of possible adoption of new regulations applicable to such approvals would be in derogation of the benefits to be derived from the study referred to above.

Section 4. This ordinance shall expire by its own terms ~~six (6)~~ three (3) months after its effective date, unless sooner terminated or extended by action of the Board of Supervisors. 2/6/78

Section 5. This ordinance is passed as an emergency measure and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance be made effective forthwith, the nature of the emergency being the preservation of the public health, safety and welfare, to wit: to prevent the frustration of the purposes and findings set forth in Section 1 of this ordinance, particularly as described in Paragraph C. of said Section 1.

Section 6. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid, or ineffective.

AMENDING ARTICLE 6, CHAPTER V, PART II, SAN FRANCISCO MUNICIPAL CODE (HEALTH CODE) BY AMENDING SECTION 291 THEREOF CONCERNING OWNER RESPONSIBILITY FOR REFUSE SERVICE; REPEALING ORDINANCE 20-72.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 6, Chapter V, Part II, San Francisco Municipal Code (Health Code) is hereby amended by amending Section 291 thereof to read as follows:

SEC. 291. Owner Responsibility for Maintenance of Refuse Collection Service to Premises.

SEC. 1. Definitions. Unless the context otherwise specifies or requires, the terms defined in this Section 1 shall, for all purposes of this Ordinance, have the meanings herein specified, the following definitions to be equally applicable to both the singular and plural forms of any of the terms herein defined:

(a) The term "City" means the City and County of San Francisco;

(b) The term "Collector" means a refuse collector duly licensed pursuant to the provisions of the Initiative Ordinance;

(c) The term "Director" means the Director of Public Health of the City, or his authorized agents;

(d) The term "Dwelling" means a residence, flat, apartment, or other facility, used for housing one or more persons in the City and County of San Francisco;

(e) The term "Initiative Ordinance" means the Initiative Refuse Collection and Disposal Ordinance adopted November 8, 1932, as amended; and

(f) The term "Owner" when used with reference to a Dwelling shall mean, and shall conclusively be deemed to be, the legal Owner of the Dwelling.

SEC. 2. Owner Responsible for Refuse Collection Service. The Owner of any Dwelling shall subscribe to and pay for refuse collection service rendered to such Dwelling by a Collector and

shall provide at a location accessible to the Collector an adequate container or containers for deposit of refuse of such capacity as the Director of Public Works may prescribe. The necessity for and type of refuse collection service required and the rates charged therefor shall be governed by the Initiative Ordinance.

Nothing in this section is intended to prevent an arrangement, or the continuance of an existing arrangement, under which payments for refuse collection service are made by a tenant or tenants, or any agent, in behalf of the Owner. However, any such arrangement will not affect the Owner's obligation to the City (and the Collector).

SEC. 3. Failure to Initiate Service or to Provide Sufficient Refuse Containers. When an owner fails to initiate adequate refuse collection service within fifteen (15) days of occupancy of a Dwelling by any person, the Director will give the Owner notification that such service is required. A copy of said notice will be sent to the Collector. If the Owner does not arrange with the Collector for service within fifteen (15) days from the date of mailing of the notice, then the Collector shall initiate and continue refuse collection service for said Dwelling.

When in the judgment of the Director additional refuse containers are required, they shall be provided by the Owner upon written notification from the Director.

SEC. 4. Violation a Misdemeanor. Any Owner who shall violate any of the provisions of Section 2 and/or 3 of this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not to exceed Five Hundred Dollars ($500.00) or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

S.F. PUBLIC LIBRARY

SEC. 5. Collector Entitled to Payment for Services Rendered. Pursuant to the provisions of the Initiative Ordinance, the Collector shall be entitled to payment from the Owner for services rendered. When the Owner has been directed to initiate service but fails to provide an adequate container or containers at an accessible location and the Collector attempts to collect refuse from the Dwelling then such attempt shall be deemed the rendering of collection service for which Collector is entitled to compensation in the same manner and amount as if refuse had actually been collected. Should there be failure to make payment for any service rendered by the Collector, the means for effecting payment shall be in accordance with the procedure set forth hereunder.

SEC. 6. Complaint of Nonpayment. An account shall be deemed delinquent fifteen (15) days after the last day of the normal billing period for which service has been rendered when the bill has not been paid in full. Not less than fifteen (15) days after the Owner has been mailed the bill containing the notice described in Section 7 hereunder regarding a delinquent account and not more than one hundred eighty (180) days after such account has become delinquent respecting such bill, said Collector may file with the Director a verified written complaint which shall contain the specific allegation setting forth the name or names of the Owner, the address of the Dwelling served, the period of service, the amount due, the steps taken to secure payment and such other information as the Director may reasonably require.

Pending satisfactory payment by said Owner, or by the City pursuant to Section 7 hereunder, the Collector shall continue to provide uninterrupted normal refuse collection service to the Dwelling covered by the complaint; provided, however, that said

Collector shall not be required to continue to provide such uninterrupted normal refuse collection service if the City fails or is unable to pay the fees due under this Ordinance after the City has received the complaint and the rates or service to the Dwelling are not under adjudication as provided by the Initiative Ordinance.

SEC. 7. Form of Collector's Bill. The bill presented to the Owner pursuant to Section 6 shall include a warning notice that if the bill is not paid within fifteen (15) days, it may be paid by the City and that payment by the City may render the Owner responsible for penalties, interest and may result in the recordation of a lien against the property to which service was rendered.

SEC. 8. Payment by Department of Public Health Lien. Within forty-five(45) days following the receipt of the complaint filed in accordance with Section 6, the Director shall, regardless of any sale or other transfer of property following the date of receipt of such complaint, process the complaint for payment to the Collector from a continuing appropriation account so provided herein under Section 13, and the Owner shall be liable to the City for fees paid. The payment by the City will, upon the recording thereof in the manner herein provided, create a lien on the real property to which the service was rendered. The lien will be officially recorded in the County Recorder's files, the lien to carry and will include additional charges for administrative expenses of Forty Dollars ($40.00) or ten percent (10%) of the amount owed, whichever is higher, and interest at a rate of one and one-half percent (1-1/2%) per full month compounded monthly from the date of the recordation of the lien on all fees and charges due. The Owner shall be notified by the Director that the fees and charges are due to the City. In addition, the

Owner shall be notified that if the fees and charges remain unpaid, subsequent proceedings may be taken to make said fees and charges a special assessment on the real property to which said refuse collection service was rendered.

SEC. 8.1. Payment Based on Incorrect Information. If City makes payment to Collector and the information provided by Collector pursuant to Section 6 is found to be ~~so~~ inaccurate/so as to prevent City from recovering the amount of payment from Owner, Collector shall reimburse City for the amount paid to Collector and the administrative cost incurred pursuant to this Ordinance.

SEC. 9. Collection of Delinquent Fees as a Special Assessment. The Director may initiate proceedings to make delinquent refuse collection service fees a special assessment against the parcels of property situated within the City to which said service was rendered and fees paid by the City.

SEC. 10. Report of Delinquencies Transmitted to Board of Supervisors. A report of delinquent charges shall be transmitted to the Board of Supervisors by the Director. Upon receipt by the Board of Supervisors of the report, it shall fix a time, date and place for hearing the report and any protests or objections thereto.

SEC. 11. Hearing. The Board of Supervisors shall cause notice of the hearing to be mailed to the Owner of the real property to which the service was rendered not less than ten (10) days prior to the date of hearing. At the time fixed for the report, the Board of Supervisors shall hear it with any objections of the Owner liable to be assessed for delinquent accounts. The Board of Supervisors may make such revisions, corrections or modifications of the report as it may deem just and in the event that the Board of Supervisors is satisfied with

the correctness of the report (as submitted or as revised, corrected or modified), it shall be confirmed or rejected by resolution. The decision of the Board of Supervisors on the report and on all protests or objections thereto shall be final and conclusive.

SEC. 12. Collection of Assessment. Upon confirmation of the report by the Board of Supervisors, the delinquent charges contained therein shall constitute a special assessment against the property to which the services were rendered. Thereafter, said assessment may be collected at the same time and in the same manner as ordinary municipal taxes are collected and shall be subject to the same penalties and same procedure of sale as provided for delinquent, ordinary municipal taxes.

The assessments shall be subordinate to all existing special assessment liens previously imposed upon the property and paramount to all other liens except those for state, county and municipal taxes with which it shall be upon parity. The lien shall continue until the assessment and all interest and penalties due and payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to said special assessments.

SEC. 13. Continuing Appropriation Account. There is hereby created in the general fund a continuing appropriation account entitled "Payment of Property Owners' Delinquencies for Refuse Collection Service." This account shall be credited with such sums as may be appropriated by the Board of Supervisors, delinquencies collected by the Department of Public Health, assessments collected by the Tax Collector, and sums received in consideration of release of liens. Expenditures from said sums shall be made to Collectors for Owner delinquent accounts. In the event that the unexpended balance in said account shall

exceed One Hundred Sixty Thousand Dollars ($160,000.00), such excess shall be transferred to the unappropriated balance of the general fund.

SEC. 14. Manner of Giving Notices. Any notice required to be given hereunder by the City, the Director or any Collector to an Owner shall be sufficiently given or served upon the Owner for all purposes hereunder if personally served upon the Owner or if deposited, postage prepaid, in a post office letter box addressed to the "Owner" at the official address of the Owner maintained by the Tax Collector of the City for the mailing of tax bills or, if no such address is available, to the Owner at the address of the Dwelling.

SEC. 15. Severability. If any part or provision of this Ordinance, or application thereof, to any person or circumstance is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end the provisions of this Ordinance are severable.

Section 2. Ordinance~~s~~ No~~s~~. ~~19-76 and~~ 20-72/~~are~~ is hereby repealed.
